1. Cancel **Your** policy
2. Declare **Your** policy void (treating **Your** policy as if it had never existed)
3. Change the terms of **Your** policy
4. Refuse to deal with all or part of any claim or reduce the amount of any claim payments

It is important that:

Important Information You Have Given Us

1. Fair presentation of risk condition

You have a duty to make a fair presentation of the risk which **You** wish to insure. This applies prior to the start of **Your** policy, if any variation is required during the **Period of Insurance** and prior to each renewal. If **You** do not comply with this condition then

- (a) If the failure to make a fair presentation of the risk is deliberate or reckless **We** can elect to make **Your** policy void and keep the premium. This means treating the policy as if it had not existed and that **We** will not return your premiums, or
- (b) If the failure to make a fair presentation of the risk is not deliberate or reckless and **We** would not have provided cover had **You** made a fair presentation, then **We** can elect to make **Your** policy void and return **Your** premium, or
- (c) If the failure to make a fair presentation of the risk is not deliberate or reckless and **We** would have issued cover on different terms had **You** made a fair presentation of the risk then **We** can:
 - (i) reduce proportionately any amount paid or payable in respect of a claim under **Your** policy using the following formula. **We** will divide the premium actually charged by the premium which **We** would have charged had **You** made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - (ii) treat **Your** policy as if it had included the different terms (other than payment of the premium) that **We** would have imposed had **You** made a fair presentation.
- (d) Where **We** elect to apply one of the above then
 - (i) If **We** elect to make **Your** policy void, this will be from the start of the policy, or the date of variation or from the date of renewal
 - (ii) **We** will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal

- (iii) **We** will treat the policy as having different terms imposed from the start of the policy, or the date of variation or from the date of renewal
Depending on when the failure to make a fair presentation occurs.
